

Engineering Department

Concrete Pre-Pour Inspections

Please be advised that the City of Streetsboro **requires** a pre-pour inspection for all city sidewalks and drive aprons. Also, property pins must be set by a surveyor prior to the inspection.

Fees:

Effective April 1, 2003, fees will be charged. Please refer to the fee schedule on the reverse side.

Scheduling an Inspection:

Please contact the Engineering Department at **(330) 626-4942, ext. 135** at least 24 hours prior to when the inspection is needed. If unavailable, please leave a voice mail message with the required information.

Required Information to Schedule an Inspection:

1. Requested time for inspection
2. Street address
3. Sublot number (if applicable)
4. Subdivision name (if applicable)
5. Name of contractor and phone number

Note: *For city sidewalk and driveway aprons, if concrete is poured without having the areas inspected, then it is at the City's discretion whether to accept the concrete or to have it removed at the contractors expense and replaced.*
